

## PRODUCTS FOCUS

Fearless.

# BLAST

*The Blast looks and acts tough. If you're looking for a solid, versatile textile jacket with sportbiking cred, this pure Furygan should be right up your street.*

### → Protection/Security

- ✓ Blast is CE approved as PPE.
- ✓ Main external material : high tenacity polyester for abrasion resistancy.
- ✓ D3O CE protectors for elbows and shoulders.
- ✓ "Ballistic" textile inserts and foam reinforcements at forearms where abrasion risks are the most important.
- ✓ The back protector pocket is compatible with both level 2 and level 1 D3O back protectors, available as an added option.
- ✓ New generation of shoulders thermoformed external shells, soft and resistant.

### → Ergonomics/Comfort

- ✓ Internal Polymesh lining, **waterproof, breathable**, light and pleasant to wear.
- ✓ **Removable**, thermal padded lining. Mesh panels at armpits to ease heat dissipation.
- ✓ Furygan "AFS" system : vents with water repellent zips on the chest can be opened in order to create an air flow in the vest.
- ✓ Flap underneath the main zip in order to create **the perfect barrier against wind and rain**.
- ✓ Connecting zip mounted on an elastic belt. Additional snap claws to link the jacket to your trousers belt quickly and easily.
- ✓ Five pockets (two outside and three inside including a mobile phone net pocket).
- ✓ Adjustable at the waist, neck and arms.
- ✓ **Stretch panels behind the shoulders for maximum comfort**.
- ✓ Neoprene inserts on the collar for maximum comfort
