

## MINI CONNECTOR MOTO ADAPTER

### Description

MINI CONNECTOR FOR CIGARETTE LIGHTER SOCKET

Reducer/adapter for cigarette lighter socket for BMW, Triumph, KTM etc.

The **ACCMOTOADAPTER** 12 V adapter with DIN connector enables you to recharge many electronic devices such as Smartphones, GPS navigators, tablets, digital cameras, Bluetooth® intercoms, powerbanks, etc., on your motorcycle. The **ACCMOTOADAPTER** is equipped with an extension cable that allows you to charge devices while you're riding and features a removable rubber cap which makes the adapter water-tight.

Easy to use, the **ACCMOTOADAPTER** is compatible with the latest models of motorcycles that have a DIN connector.

It should be used with **MICROCBRUSB** and **MICROCBRUSB DUAL**

\* Not included in kit.
