

Racing textile **TITAN**

The Titan is the top-of-the-range textile jacket from Furygan. The impressive look may be inspired by Furygan's racing roots, but the Titan still offers everything you would expect from a multipurpose textile jacket. Sporty and stylish yet practical, the Titan is made for those who do not like to compromise.

→ Protection/Security

- ✓ Titan is CE homologated
- ✓ Main external material: Hiten polyamide. Robust, breathable, waterproof and dirt resistant.
- ✓ **Furygan Skin Protect** lining approved by Furygan's R&D (Motion Lab) to reinforce textile products in terms of tearing and abrasion resistance.
- ✓ **D30 CE level 2 protectors** for elbows and shoulders. Fitted as a standard with a **CE D30 back protector** (1621-2 level 1 Central Back type).
- ✓ The back protector pocket is compatible with the "Full Back" level 2 D30 back protector, available as an added option.
- ✓ Elbows thermoformed external shells, with aluminium inserts, for more protection.
- ✓ Areas exposed to tearing in a crash situation are reinforced with triple stitching.

→ Ergonomics/Comfort

- ✓ **Waterproof** insert.
- ✓ Thermal padded lining (removable) for maximum protection against the cold.
- ✓ The back and chest feature an internal **3D honeycomb lining** which offers increased comfort and better thermo-regulation in all weathers. The internal lining of the sleeves is constructed from 80% hypoallergenic cotton for increased comfort.
- ✓ Zippable flap that fastens underneath the main zip in order to create the perfect barrier against wind and rain. The staggered design of the two zips ensures a comfortable fit.
- ✓ **Furygan AFS system** : vents with water repellent zips on the chest and back can be opened in order to create an air flow in the vest.
- ✓ Five pockets (two outside and three inside including a mobile phone net pocket).
- ✓ Adjustable at the waist, neck and arms. Waist adjuster system offers two different settings : one internal with snaps and one external, more precise, provided by Velcro strips.
- ✓ Two connecting zips (one short and one full) mounted on an elastic belt. **Additional snap claws** for linking the jacket to your trousers belt quickly and easily.
- ✓ Neckband with Neoprene insert for maximum comfort.
- ✓ Stretch panels in the elbows for increased flexibility.
