

Product Focus

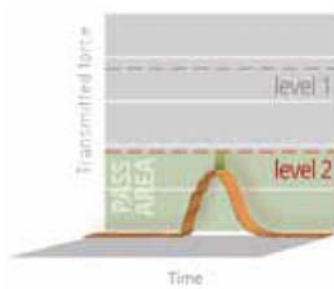

The best protection and comfort. **LVL 2 D3O BACK PROTECTOR**

The D3O Viper Pro level 2 is Furygan's top-of-the-range back protector, offering the highest level of protection available. It is made to fit inside every Furygan jacket and thanks to the revolutionary material used, also offers unparalleled comfort.

→ Characteristics

- ✓ Built in D3O, a very soft material which molecules are locking in case of an impact to absorb kinetic energy. This technology allows to create soft, ergonomic and top performing protectors for more security and comfort.
- ✓ Airwave Technology for more softness, thinness and lightness.
- ✓ CE approved level 2.
- ✓ Ventilated.
- ✓ Now available in four different sizes (6/7/8/9), determined by torso length and according to EN-1621-2 standard.
