

Product Focus

Simply the best.

AFS-110

The AFS-110 is Furygan's top-of-the-range protective glove. Your fingers are protected by strong armour whilst new and improved ergonomics provide a comfortable fit.

→ Protection/Security

- ✓ The AFS-110 is CE homologated as PPE.
- ✓ Main external material : goat leather, for softness and comfort.
- ✓ **Furygan Skin Protect lining** – approved by Furygan's R&D (Motion Lab) including **Aramid** to reinforce leather products in terms of tearing and abrasion resistance.
- ✓ **External protection shell for scaphoid, metacarpals, palm, fingers and side of the hand.** The AFS-10 features "EXO" Technology for a better shock absorption and a better comfort by suppressing all hard elements inside the protection shells.
- ✓ **Multiple reinforcements made with doubled leather layer and additional foam** on areas exposed to abrasion in a crash situation (palm, side of the hand, fingers). The positioning of these elements has been designed to protect hands from shocks but also from abrasions on tarmac.
- ✓ Ring finger and little finger are held together with a leather piece, to lower fracture risks.

→ Ergonomics/Comfort

- ✓ The goat leather and the pre-shaping offers a high level of feeling on the handlebars.
- ✓ Finger stitch seams positioned on the outside, for better comfort.
- ✓ **Furygan "AFS" (Air Flow System)** for an optimal breathability through air channels positionned on the top of the hand. Leather is also perforated in specific places for optimal air flow without compromising on leather solidity.
- ✓ Wrist and double cuff adjusters. The new cuff features stretch in order to have a better fit, and to be easier to put on.
- ✓ Articulated metacarpal protection shell to ease finger flexion.
- ✓ Compare to the previous model stretches were added to index, middle finger, and ring finger. Stretch was also added to the thumb where the protector shape as been modified for better ergonomics.
- ✓ Between each finger, at the bottom, has been place a specific textile insert to reach a superior stage of comfort.

4355-AFS-110

SIZES : S - 3XL - Colors : black (1) / white-black (214) / blanc-rouge-noir (169)
