

How to choose your gloves size. _____

Glove size chart

→ Ergonomics/Comfort

*To determine your motorbiking glove size please use a measuring tape.
Without tightening, you need to measure the size of your hand palm, without thumb.
Then, refer to the herebelow chart.*

If you are in between two sizes we advise you to choose the smaller size.

Size of the hand		XS	S	M	L	XL	2XL	3XL
Palm size in inches	Lady	5	6	7	8	9	10	11
	Men	6	7	8	9	10	11	12
Palm size in mm		152	178	203	229	254	279	304
