Welcome to **RIDERR**

Established in 2024 from the heart of Dorset, we are a brand built for riders. At **RIDERR**, we understand that motorcycling is more than just an industry – it's a lifestyle & community. Whether you're an experienced biker or just getting started, our mission is simple: to provide top-quality motorcycle accessories that enhance your ride, safety, and style.

OUR JOURNEY

RIDERR was born from the shared vision of a family team who wanted to create a brand that truly understood the needs and desires of the motorcycle community. From the rolling hills of Dorset to the open road, we felt there was a gap in the market for gear that combined exceptional performance with sleek, modern design.

We set out to change the industry by offering innovative, durable, and high-quality accessories that fit seamlessly into every rider's journey. Each product is carefully crafted to meet the highest standards, ensuring that you can focus on what matters most – the thrill of the ride.

HOW TO ORDER:

To place an order for RIDERR products, please reach out to our distributors Nevis Marketing Ltd.

As the exclusive distributors of RIDERR, Nevis Marketing rely heavily on their dealer network to present their range to you locally and to assist you in finding the perfect product to suit your needs. As well as being proud of their range they are equally proud of having one of the most professional and enthusiastic dealer networks in the motorcycle market, wholly committed to providing you with the service you expect and deserve.
